

LO4 Anwendungsdiagramm

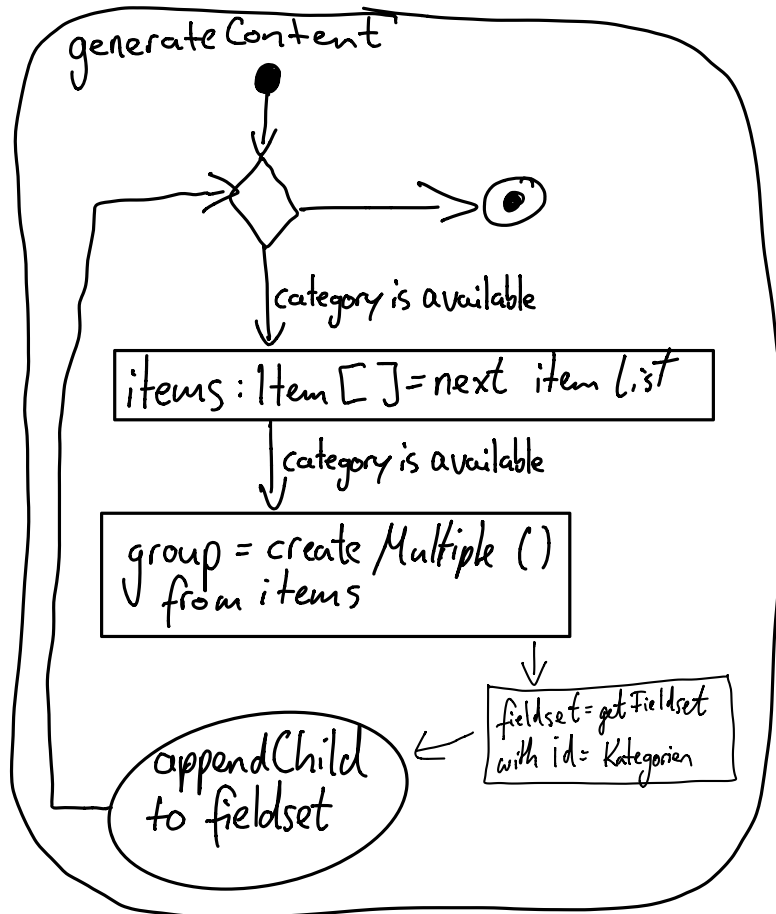

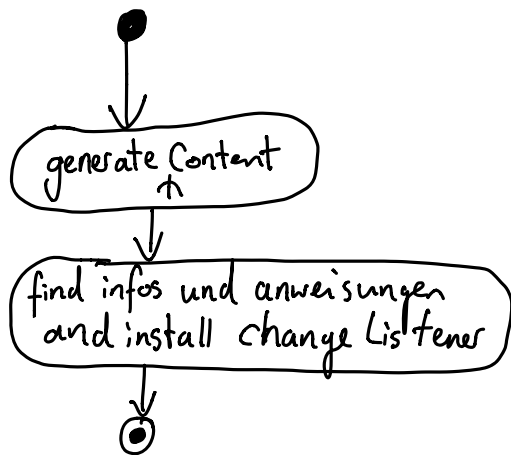

U1 - Scribble

Hand-drawn UI design for a "Hexenkessel" (Witch's Cauldron) form. The form is titled "Hexenkessel" and contains several input fields: "Name", "Beschreibung", "Wirkung" (with a dropdown arrow), "Dauer", "Ingredienz", "Temperatur" (with a slider), "Rühren" (with a slider), "Konsistenz", and "Farbe". There are two "Abschicken" buttons. To the right of the form is a large box labeled "Rezept" and another labeled "Ingredienz". The diagram is annotated with HTML code snippets in notepad-like boxes:

- `<input>` type = "textarea" (for the description field)
- `<select>` (for the "Wirkung" dropdown)
- `<input>` type = number (for the "Dauer" field)
- `<input>` type = checkbox + type = number (for the "Ingredienz" field)
- `<input>` type = range max = 20 (for the "Temperatur" slider)
- `<input>` type = checkbox (for the "Rühren" slider)
- `<input>` type = checkbox (for the "Konsistenz" field)
- `<input>` type = color (for the "Farbe" field)
- `<button>` id = abschicken (for the bottom-left button)
- `<button>` id = Submit (for the bottom-right button)
- `<div>` (for the main container)
